Application for Membership to Manila Boat Club

Resignation from the Club.

Please note that as per the terms of the Membership Application form, monthly dues remain payable until such time as the Board accepts the resignation of a member.

Resignations will not be considered unless the Member's account is clear of ALL out-standings and confirmed as so by the bookkeeper.

Resignations should be addressed to the Board in writing, or by email. Verbal resignations are not acceptable, nor are those made to any member of staff.

Billing & Disciplinary Procedures

Membership dues are payable monthly in advance.

Billings are sent to members at the beginning of each month.

Payments are required to be received by the bookkeeper within 21 days after receipt of the invoice or may be subject to interest and penalties.

Members are obliged to submit billing address or email/phone changes to the attention of the bookkeeper and Membership Secretary of the Club within 7 days of such changes occurring.

All deposits to the club Bank Account must have a copy of the Deposit slip scanned and sent to the bookkeeper in order to be validated. Deposits not registered with MBC within 3 months of payment will be forfeited.

If a Member's account becomes Php 3,000 or more overdue, they will automatically be recommended for suspension of membership and all privileges and may have their names posted on the Club notice board as no longer being in good standing. Failure to clear the account within one month of notification by the Membership Dept. or the Treasurer may result in expulsion of the offending member and instigation of legal action to recover the debt.

It is customary for Members to donate P1,000 (or an amount agreed by the Board) as a Christmas Bonus for the Volunteers to show appreciation for their work during the year. This is entirely voluntary but Members are required to opt out of the donation should they wish to do so. Otherwise the charge will become fixed on their statement and be due for payment.

These Membership Rates are subject to change without notice. Publication of these Membership Rates is not a guarantee that they are the correct rates at the time of the lodgment of a Membership Application form. The Membership Dept. will inform applicants (if required) of the correct rates of Membership in operation upon receipt of a correctly completed and countersigned application form.

I have read the above terms and undertake to comply with these conditions of Membership should I be elected to the Manila Boat Club
